

# Breckinridge Metropolitan High School

## **DESCRIPTION:**

Breckinridge Metropolitan High School is an alternative school designed to meet the unique needs of students who require continual placement in a structured environment to succeed in school. The goal of Breckinridge Metropolitan is for all students to learn the academic and social skills necessary to become responsible and productive members of society.

The school specializes in working with high school students who have been referred to the school by the office of student services, the department of juvenile justice and/or other state and county agencies. The students are sent here because of JCPS code violations in the regular schools or are court ordered to attend.

The staff at Breckinridge is committed to providing all students with the behavioral and academic skills necessary to reach their fullest potential and to become responsible life-long learners.
