Shelbyville High School's Greatest Challenge

◆ The Dropout Rate

- 1 out of 3 students who enter the high school in the ninth grade don't graduate from high school.
- Approximately 200 out of 300 students in a graduating class walk across the stage with their classmates!

Reform Efforts

◆ Attitude (Kids First)

- Admit you have a problem!
- Change expectations for at-risk population
- Think outside the box for solutions
- Focus
 - Monopoly
 - School Change
 - ◆ Business Mentality (buggy whip, typewriter, camera)
 - ◆ Customer Friendly
 - Surviving in the the 21st Century
 - ◆ School Choice
 - ◆ Voucher Systems
 - ◆ Charter Schools

Reform Efforts

- ◆ Public schools must and can meet this challenge concerning the student dropout rate locally, state wide, and nationally.
 - There are no easy solutions (If it was easy, we would have fixed it years ago!)
 - You can't change where your students come from! Accept the challenge!
- ◆ This is not just a school problem, this is a societal problem.
- ◆ The spirit of cooperation must exist between all levels of government to fix this national epidemic. We have to get away from playing the blame game.
- ◆ The new Indiana Law
 - Common sense legislation that helps the schools, parents, and students

Reform Efforts

- ◆ Study **all** aspects of your school and school corporation.
 - If you only reform the high school, you will not succeed in reducing the dropout rate!
 - You must have K-12 reform. Every teacher and every administrator must take ownership.
