- 74 Survey of Physical Science

### Professional/Occupational

- 75 Accounting, Introduction to
- 76 Business, Introduction to
- 77 First Aid
- 78 Medical Terminology

Indiana's Core Transfer Library (CTL)  
Communication Plan within TransferIN.net

The Core Transfer Library (CTL) lists courses that transfer among all Indiana public college and university campuses, assuming adequate grades. All CTL courses receive credit at public institutions as one-on-one equivalents or general electives; a significant number also count as general education requirements.

**What is TransferIN.net's role:**

- **Dual Credit page on web site**
  - Students wishing to fulfill the Core40 with Academic or Technical Honors diploma requirements should choose dual credit courses from the CTL or the list of independent colleges and universities course list that is currently under review by the Statewide Transfer and Articulation Committee (STAC).
  - Dual Credit Questions and Answer document
  - Postsecondary Institution Dual Credit contacts
- **Core Transfer Library (CTL) page on web site**
  - Searchable data base
    - Course Name
    - Institution Name
    - Complete Listing
- **Research and Analysis**
  - Utilizing Google Analytics for TransferIN.net
    - Determine pages viewed
    - Length of time spent on pages
  - Soliciting feedback
    - Department of Education
    - High School Guidance Counselors
    - Student users
  - Applying Suggestions
    - More easily searchable
    - All fields easily visible
    - Printer-friendly
