# Issuing Badges: The Steps

- Programs that offer meaningful learning experiences
- Well-designed badges and processes to decide when to issue them
- A long-lasting infrastructure to support those badges as long as the students want to use them

# Pilot Projects

- OregonASK Conference. Issued CKC-aligned badges to conference participants for workshop sessions.
  - Issued about 240 badges
  - Recording emails of participants was biggest roadblock

- Oregon Girls Collaborative Project Badge

- Incite Inc.: theNET Badge for Career-Based Training Workshop
