

CollegeCredit PLUS

Earn college credit, for FREE*, before graduating high school!

By partnering with Lorain County Community College students can earn college credit through College Credit Plus three different ways:

- Take college courses at Lorain County Community College
 - Courses can be taken at the LCCC Elyria Campus or any of the LCCC Learning Centers (see back page for locations)
- Take college courses at your high school
- Take college courses online

Benefits of participating in College Credit Plus:

- Tuition and books are FREE* equaling a huge cost savings towards your college education
- Take courses that will transfer to any public university or college in the state of Ohio
- Take courses that are geared towards a specific career interest
- College Credit Plus courses are weighted the same as AP and IB courses
- Take challenging courses not always offered at the high school level

Steps to take to become a College Credit Plus student:

- Notify your middle/high school of your intent to participate by April 1st
- Submit the LCCC College Credit Plus application with your school transcripts
- Submit ACT/SAT scores or take the college assessment test
- Work closely with your school guidance counselor to make sure all steps are completed in a timely manner

*Private school students may have to pay some expenses
