SUPPORT SERVICES

Indianapolis Met is designed to serve all students, including those who experience significant barriers. Barriers may include:

- Teen pregnancy
- Teen parenting
- Involvement in foster care
- Homelessness
- Identified for special education
- At-risk for mobility
- Involvement with criminal justice

WHAT WE OFFER

Academic Support from licensed instructors, coaches and college student tutors

Wrap-around Services for students and their family members through Goodwill of Central & Southern Indiana, such as Nurse-Family Partnership®, Guides, TalentSource, The Excel Center® and more

College and Career Planning with free dual credits, industry-recognized certifications and community partnerships

Parent Communication on a regular basis through one-on-one meetings, school letters, phone calls, open houses and social media

Athletics Teams that include basketball, volleyball and track & field

Clubs & Social Activities based on student interests, talent shows, family nights and dances

OUR HISTORY

In 2004, our school opened as Indianapolis Metropolitan Career Academy. The school later changed its name to Indianapolis Metropolitan High School. Founded and operated by Goodwill Education Initiatives, Inc., Indianapolis Metropolitan High School is a best fit school for students with one or more significant barriers.

HOW TO ENROLL

When students enter Indianapolis Met, they will participate in a Welcome Conference. During the Welcome Conference, the student and guardian will get to know the Family Empowerment Coach and designate goals for the student.

Also during the meeting, students will be asked to brainstorm other adults in their life who are supportive influencers including mentors, family members, athletic coaches, pastors, therapists and case workers. These individuals will be invited to stay involved in the student's education and meet as a web of support for the student.

Families interested in enrolling their student can apply online using Enroll Indy. The link and instructions for preferencing Indianapolis Met are available at indianapolismet.org/enroll. Call us at 317.524.4000 for support with completing the Enroll Indy application.
