

Surveying the Field: Mapping A Path Towards Better Outcomes for Systems-Involved Youth

An AYPF Discussion Group: March 29th, 2019 Washington DC

decreased funding
for JJDPA

missed opportunity if not
implemented with fidelity

lack of clarity & direction
provided for both legislations

Are there fears, challenges
unintended consequences or reservations
about JJDPA or FFPSA?

resistance to change
in both child welfare
& juvenile justice systems

lack of communication
between agencies

excellent opportunity for state
and local leaders to work together on
reducing homelessness & crossover youth

impact of institutional changes
on people working on the ground
