Racial Equity and Disproportionate Minority Contact
Lack of resources for both populations

Evidence-Based/Informed Practice and Programs
Resources mostly created by technical assistance providers
Lack of resources targeted to communities and families

Increasing Education and Workforce Success
Mostly actionable tools, as opposed to written products
Lack of resources/conversation about this

Decreasing the Number of Youth in Correctional/Residential Facilities
JJ resources created by foundations
More JJ resources than FC resources
FC resources mostly about kinship care

the pathway to implementation of Family First & JJDPA
