A Cycle of Injustice

Term definitions:

**Personal**
Any personal contact and/or experience with the criminal justice system at any point in time (i.e. unnecessary traffic stops.)

**Family**
How mass incarceration impacts ones immediate or extended family, directly and/or indirectly.

**School**
The ways in which mass incarceration is perpetuated in k-16 schooling including on-campus arrests, school resource officers, zero-tolerance policies, etc.

**Community**
"Spillover" effects of mass incarceration in communities including stress, mental health disorders, over-policing, absentee fathers, etc.

**Workforce/Economic**
How mass incarceration impacts the workforce and economy including talent shortages, justice-system expenditures, workplace culture, relationships with colleagues, etc.

**Policies/Political**
Pertains to policies exacerbating mass incarceration, and the political implications for court-involved citizens including disenfranchisement after they re-enter society (i.e. unable to register to vote.)
